Autumn Edition

VOLUME 17, ISSUE 3

SEPTEMBER 2015

## From The Editor

We have another very varied selection of contributions for this edition of the Messenger. There is always so much happening in Auchenblae and so many very busy people. Try to give as much support as you can.

My thanks to all who have contributed. I will be in touch again by the 15th November for the December edition. I can be contacted at [barpollybar@gmail.com](mailto:barpollybar@gmail.com)

You may notice a facelift to the Messenger and..... full colour thanks to a generous oil company being persuaded by our publisher (Kevin) to donate an expensive colour printer to the Messenger. They declined to be identified but a big thank you to them anyway! Colour is much more expensive than monochrome so we may have to do some fundraising next year, but for the meantime—enjoy!

The Ragbag collection bank continues to generate funds with collections being made on average every 3-4 weeks. Thank you again for your support in this.

We would also like to say a HUGE thank you to the replies we get via the Auchenblae notice board.. These asks have covered a lot of things from old dress up clothing, building BBQs, jam jars, tug of war rope, empty carpet rolls, blown light bulbs and much, much more. "Thank you"

I personally would like to thank the many parent volunteers for their unconditional support and help. Many hands make light work!

Thank you.

## West Mearns Parish Church

Welcome! Especially if you are new to the village. And a special welcome to the local parish church. You cannot miss it. It stands with its tower high on a site that goes back into the mists of time. It might be said that you cannot afford to miss it! "All life is meeting" said a great scholar. Every Sunday at 11.00am (except the first of the month when there is an alternative at Glenbervie), you will meet people at the service and afterwards in the church hall for coffee. We might add that "abundant and eternal life is meeting Christ." One eminent atheist has said that "Heaven is a fairy story for those afraid of the dark." However it can be said that "atheism is a fairy story for those afraid of the light!" Don't be afraid nor shy-come along and meet.

Should you need the services of a minister the Reverend Douglas Lamb can be contacted on **01561 376816**

The Church will be closed from Monday 17th August for 2 weeks to allow floor repairs to proceed. The service on Sunday 23rd August will be a joint service held at Fettercairn Church at 9.30 a.m

## Auchenblae Gardens Open Weekend Proceeds to Church Clock Replacement

We certainly picked the right weekend, didn't we? No rain at all over the two days, with a glimmer of sun and pleasant warm air throughout, adding to our visitors' enjoyment and allowed them to stroll through the village, rather than dash about.

From the School House up in the Kirkton, to Hillview Road at the other end of the village, wee groups of people were standing around studying their maps, to see which way they had to go to get to the next garden. And they weren't to be disappointed when they got there either!

Back in the hall we were kept busy preparing and serving strawberry teas as well as selling goods from the stalls. There was a real buzz as people returned full of stories about the gardens they'd visited, leading to lots of discussions between us all, which created a particularly happy atmosphere.

Apart from the villagers who always support this event, there were people from our neighbouring communities as well as from Banchory, Aberdeen, Stonehaven and Montrose, that we know of. We greatly appreciate their attendance.

I personally am fully aware of the extra effort each one of our 'gardeners' made in the run up to this event. So, my sincere thanks go to Cary and Davie, Sandra and Royston, Elaine and Thierry, Beryl and Colin, Margo and Jim - and of course Jimmy, who also had to put up with extra demands from me!

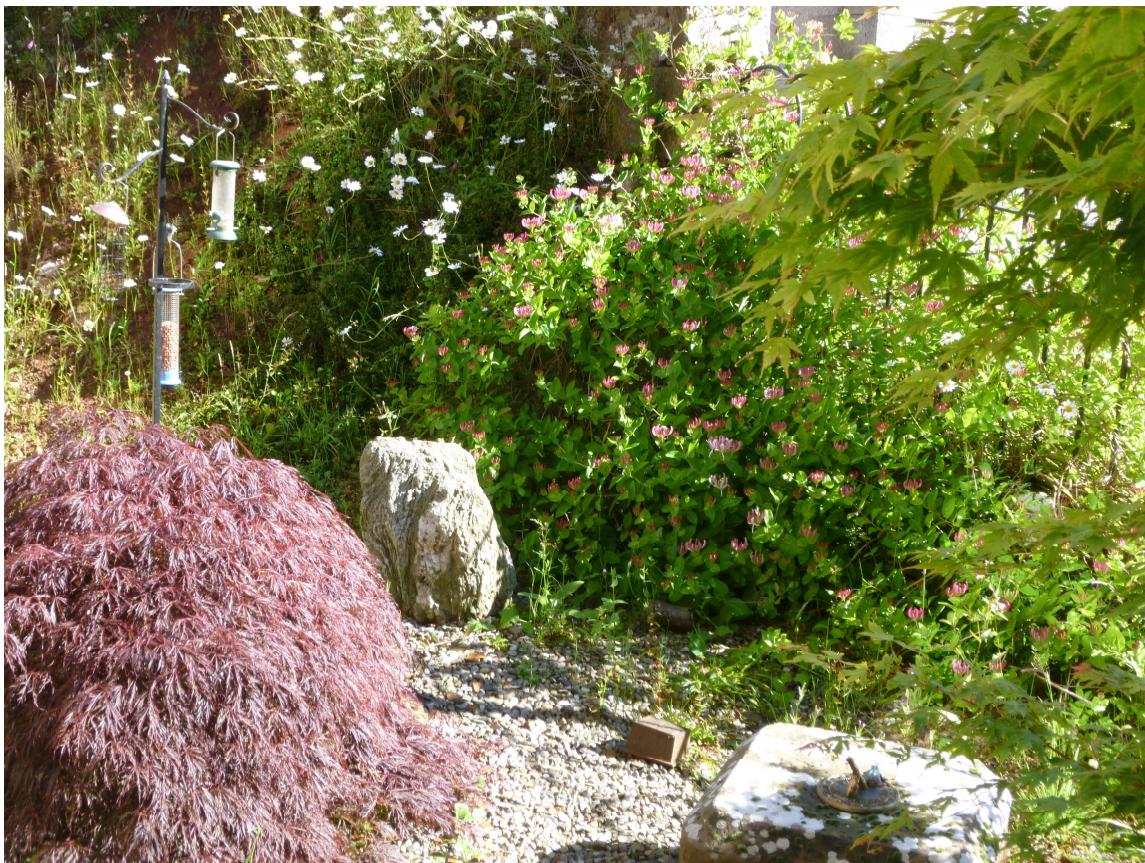

They all gave up their entire weekend so willingly and without their help, this fundraising event would have been impossible.

As a result of Auchenblae Gardens Open Weekend, along with several donations, £1,805 has been raised towards the renovation and replacement of the clocks on the church tower.

## Community defibrillator

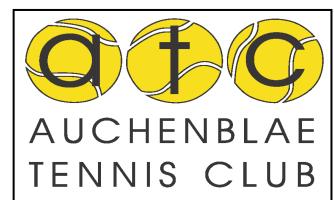

The Village Telephone box has now been adopted by the community council and will be the site for the community defibrillator. Very shortly it will be getting a lick of nice red paint and the missing glass panels being replaced to bring it up to scratch, some livery will be placed on the phone box to inform people of its use.

Thanks to all the volunteers so far who have volunteered to undertake training in case it ever needs to be used, there are still spaces for people to come along and learn some lifesaving skills, you just never know when you might need them, hopefully dates will be announced very shortly. My email is below if you want to drop me a line.

Thanks again to the community association, community council and mostly the people who have donated to help make this happen.
