Christmas Edition

VOLUME 18, ISSUE 4

DECEMBER 2016

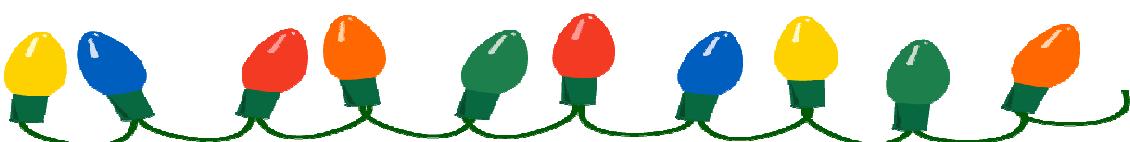

## From The Editor

As you can see, once again there is a lot going on in Auchenblae. One of the regular visitors to the Friendship Group says that he tells all he meets what a marvellous village Auchenblae is, with so much happening and such very friendly people. I think that we can pat ourselves on the back.

I shall be collecting for the next edition in mid February. Please send to me at [barpollybar@gmail.com](mailto:barpollybar@gmail.com)

Have a good Christmas and an enjoyable 2017.

Barbara

## GOOD NEWS & A BIG THANK YOU

The Messenger has been successful in obtaining funds from the Midhill fund which will be used to update the aging computer system and restock the dwindling paper & toner supply. This should keep us going for a couple of years.

A big thank you to Susie Brown and the members of the committee who helped secure this funding for us.

## Auchenblae Guild

We have just gone through a tiring but very fulfilling time for the Guild. First of all a big thank you to all who helped and supported us at our Autumn Fair on the 12th November. We made the magnificent sum of just over £977. Very well worth while.

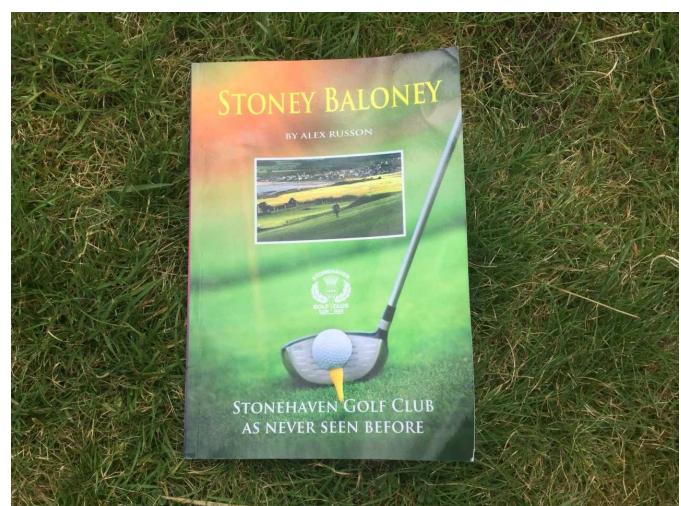

Our thanks also go to Vhari Campbell for her very interesting insight into life in an orphanage and with handicapped young people in Rwanda. In spite of everything we see and hear on the news it is only when you meet someone who has been there that you realise just how bad it is.

Our next offering to you all is our evening of Carols, Candles and Christmas Pies in Auchenblae Church on Friday 9th December at 7pm for 7.30pm. Do come and join us for a really good sing.

May the Joy and Peace of Christmas be with you all.

**Auchenblae author Alex Russon** has published his latest book 'Stoney Baloney' which is raising funds for local charities RNLI and the Rotary. # Auchenblae Friendship Group

As you will see from another entry in this edition of the Messenger we are about to enter a new beginning in the village. I must stress that the keep fit equipment is for the benefit of all and not just for our group. We will let you know about the progress of the project.

We continue to meet on Wednesday mornings and will continue to do so, weather permitting throughout the winter, once Christmas is out of the way. We wish all our readers a Happy Christmas and a Healthy and Prosperous New Year.

Friendship Group members have all come together in giving Joan help and assistance. They have been instrumental in helping improve Joan's mobility. For the encouragement of church members and the Friendship Group members "Thank you".

Peter and Joan Morriss

## ANGEL CLOUDS

At Christmas time...

Lets pretend those clouds are angels in the sky,

Sending us our Saviour's love,

Borne on the wings of a pure white dove;

Lets pretend those clouds are angels in the sky.

At Christmas time...

Lets pretend those clouds are angels in the sky,

Together we can shelter under the wings of our Saviour's love,

Brought to us by the angels from Heaven above,

Lets pretend those clouds are angels in the sky.

Lets pretend those clouds are angels in the sky,

Sending us our Saviour's love,

Borne on the wings of a pure white dove;

At this Christmas time let's rejoice in our Saviour's birth,

And pray for peace over all the Earth.

Lets pretend those clouds are angels in the sky.

# Auchenblae Guides

Guides will be doing Christmas card deliveries in the village , boxes will be in Auchenblae Stores and Church Hall from 1st December , first delivery 7th. This gives the Guides the opportunity for a service and fund raising.

Rainbows -to celebrate the 150th anniversary of the birth of Beatrix Potter , Guiding had a special badge , the girls heard all the favourite stories of Peter Rabbit , Mrs Tiggywinkle and others. They did craft to match each story and games and songs.

Miss Potter often had Guides camping on her farm in the Lake District and the badge is from a drawing she did showing a Guide presenting Peter with a cake.

Guiding and representatives from the primary school attended church for Remembrance Sunday and led a walk to place the poppy wreaths at the War Memorial on Gilbert's Hill.

When the Guides went to War Memorial they discovered this beautiful seat .

Does anyone know who we have to thank for this , who made it and is it in memory of a special person?

**I would like to thank everyone  
who donated money to my  
retirement from winding  
the church clock and came  
to the church on the 21st Oct  
to the presentation  
many thanks to you all**

## Midhill Community Benefit Fund 2016

The Midhill Panel met on 27th October to discuss his year's applications. Their decisions were sent to Fred Olsen, the developer for ratification. Auchenblae Community Association has now been advised that the awards have been approved.

**Auchenblae Community Association** – part funding for secondary double glazing for the Village Hall. (They received the other 50% from the Kincardine and Mearns Area top-up budget.)

**Auchenblae Parks Committee** – funding for two projects, one to replace the roof of the pavilion in the den and one to pay for the repainting of the swings etc. in the play area.

**Auchenblae Messenger Group** – funding for upgrade of computer equipment used in the production of the Messenger.

**Auchenblae Friendship Group** – funding for outdoor exercise equipment in the village. It is hoped these pieces of equipment will be used by people of all ages. The equipment will not be installed in the Den as that area not accessible to all.

**Auchenblae Pre-school Group** – funding to upgrade the cloakroom area at the top of the stairs in the hall. This award made on condition that work on the window be done by the same contractor supplying and installing the secondary glazing for the rest of the hall.

**Auchenblae School Parent Council** – two awards made, one for musical instruments for use by the pupils and one for sports kit and equipment, again for use by the children.

**Auchenblae Drama Group/Cinema Club** – to build on the cinema club which received funding last year for the screen and projector. This award will allow them to buy licences for the next year. The audience at the films is growing and it is anticipated that the club will be self-sustaining by next year.

The total amount awarded was **£25979.00**.

**£4266.00** will be added to next year's fund meaning that around **£35,000.00** will be available next year.

## Millie Keddie from Auchenblae heads to Guyana to teach Maths and Science

Through the charity Project Trust, I have been given the amazing opportunity to teach Maths and Science to school children in rural Guyana, South America for a year, as from August 2017. I am currently studying Advanced Higher Maths and Biology at Mearns Academy and therefore hope to make a useful contribution to the school and help support the work of the existing teachers there.

Project Trust is a registered charity, which sends 17/18 year olds to teaching, social care, and outward bounds projects in Asia, Africa and South America. It has been organising long term overseas voluntary placements for school leavers since 1967 and currently finds posts for approximately 300 young people each year.

Back in October of this year I attended a selection course on the Hebridean isle of Coll and after a rigorous 4 days was selected as a volunteer to teach in Guyana. I will be returning to Coll for a training course in June at which I will learn vital skills to help me make the most out of my time and make as positive a contribution in the Guyanese school where I will be working.

Guyana is in South America, bordering Brazil, Venezuela and Suriname. The native Amerindians, who still live the tribal lifestyle, populate the Amazon rainforest. Despite being the only Latin American country to speak English, Guyana doesn't get much attention from the media. It was a British Colony until 1966 and has suffered from years of mismanagement, lack of investment and population drain. 90% of the Guyanese population live on the coastal strip near the capital George Town. The rest of the population is vastly spread out and the live in a lot more rural areas. The standard of education is very poor in Guyana as most of the well-educated and good teachers move to the coast or emigrate out of Guyana. This means schools in rural Guyana are left with very few teachers so it is extremely hard to get a good education. Class sizes can be up to about 60 in extremely remote areas where it could take several days to reach the next village.

There are various ways that I am trying to raise money for this project. I have already been making soaps to sell at Christmas markets. I am planning to organize a Ceilidh and a Race Night later on in the New Year. I am putting some of my wages from my holiday and weekend jobs to help me get to the target of £6,200. Any donations, no matter how small, would be greatly appreciated. This might be from money donated, offers of raffle prizes or by attending any of my fundraising events. I also have a Just Giving page: [www.justgiving.com/fundraising/MillieKeddieGuyana](http://www.justgiving.com/fundraising/MillieKeddieGuyana).
